

- Archers with green highlights are in the positions to be on the team but this is not confirmed until I update it after the deadline on 1st September at 7pm.
- Archers in the “Reserve” positions will be accepted at the TO’s discretion due to limited space at the shooting ground.
- This leaderboard is for the WMAS Intercounty shoot held at Wyre Forest Company of Archers on the 5th October 2025 ONLY.

NOTE: If two archers have the same average handicap, I will choose the archer with the highest WA720 score submitted to me.
