The Audco Archers' Heritage shoot - 10th August 2025 - National Rounds

- * Although all the shoots listed are available for any bow type to enter, tournaments that I have marked with a * mean that for the purpose of county selection these scores can only be used by compound and barebow as they don't include rounds 70m+ for recurve and longbow qualification. If you shoot recurve or longbow, please still be encouraged to enter these shoots as all competition practice is useful and you will be supporting your local clubs.
